PROMOTIONAL PARTNERS INC.  
CERTIFIED WOMAN OWNED BUSINESS

Our creativity  
& expertise  
provides more  
value to our  
partners.

As a marketing partner, we understand how to leverage & position products to become the focus of your story.

Absolutely we offer promotional products; however, our marketing savvy, graphic design expertise, industry knowledge and creativity approach shares your narrative in a way that gets results.

After all, brand identity relies on consumer experience and perception.

Today's collaboration started with a brand launch, but continues to capture the story behind hometown spirit & celebrating innovation & excellence.

Have you ever been to a place that immediately made you feel at home?

For many, that place is the town of

*Fuquay-Varina*

In 2016, we became a strategic branding partner for the Town of Fuquay-Varina.

Through thoughtful product selection, custom development, and graphic design we continue to communicate why residents, employees and town amenities – are a dash more!

"Promotional Partners is our go to partner for promotional items and branding advise. Olivia and her team are extremely creative and helpful, even the most unusual request or custom development they have a solution. I really appreciate that they are on top of every order from the beginning to the end. I trust them to manage our brand."
